

Carpet Protection Film

Product Specifications

Product	Description	Size
PC22	Clear	24" x 500 ft
PC22	Clear	36" x 500 ft
PC22	Clear	48" x 500 ft

PC22 is a temporary protective polyethylene film that shields synthetic carpets from dirt and damage. With a reverse-wound design for easy application, it uses a water-based, solvent-free adhesive that leaves no residue. The film stays in place for up to 45 days.
